

OPERATION YELLOW RIBBON (Monterey)

As part of our ongoing support of our Troops, we will be sending at least 1,500 care packages to Iraq and Afghanistan

WEDNESDAY, JULY 16, 2008
Deadline for drop off of items July 12

YOU CAN HELP by writing a letter or card of encouragement and support (unsealed) to be included in our shipment to our men and women far from home. Our May shipment of 1,400 care packages will bring the total we have sent since 2003 to almost 21,000. The May shipment contained 1,000 cool neck collars and medicated foot powder (the temperature in Iraq is over 109 degrees now) plus beef jerky, in addition to the usual items.
